🎓 Education

Amirkabir University of Technology 2017 – Present
B.Sc. Computer Engineering GPA: 16.12

Mandegar Alborz High School 2013 – 2017
Mathematics GPA: 19.86

🥧 Work and Volunteer Experience

Students' Scientific Chapter of AUT-CE March 2019 - Present
Chairman (President)

> I was elected as a member and head of the management board by students of CE Department of Amirkabir University in March 2019.
> We managed to organize more than 40 events, talks, competitions, festivals, seminars and workshops.
> I took part as an executive and technical committee member and head of many conferences, workshops, festivals and competitions such as:

  * 18th and 19th Amirkabir University of Technology International Collegiate Programming Contest (AUT ACM ICPC 2019) (Fall 2018-2019)
  * 11th Amirkabir Linux Festival (Winter 2020)
  * 6th Amirkabir Programming League (APL 2019) (Spring 2019)
  * Intelligence Summer Summit (AAISS 2019) (Summer 2019)

  to name a few.

Daneshkar Group March 2018 - June 2018
UI/UX Design Intern

> I started to read some books related to user experience and also work with some prototyping tools like Adobe XD and Axure PR.
